Application No.

Continuation of 2. NOTE: The proposed ammendment including the addition of the new limitations in claim 1 of "for future use by a user," in claim 8 of "with the second processor for future use while the first processor is deactivated," in claim 18 of "by a user," would require a new consideration as they have not been previously presented. The new limitations do not clairfy the issues for appeal, but rather present new limitations not previously considered. It would be improper to further the procedulin of this case at this time.

Continuation of 3. Applicant's reply has overcome the following rejection(s): The proposed After Final ammendment overcomes the 35 U.S.C. 112, second paragraph, rejection of claim 5, but has not been entered.
